Director of Personnel
Policy, Planning, and Management
8 January 1980

Extract from the Staff Meeting of 7 January 1980

The Director reported on the following items from today's Cabinet meeting:

- The President complained about achievement in minority youth employment programs. Mr. Carlucci cited the kinds of problems these programs have encountered. The Director asked that we review our record and let him know. Fitzwater noted about 20 minority youths will be coming on board in 1980. (Action: D/PPPM) (U)

8 January 1980

Extract from the Staff Meeting Minutes of 7 January 1980

The Director asked Hineman to have [] and Stoertz review our situation in collection and analysis with the prospect of no SALT II agreement. [] described some obvious implications in the important areas []. [] The Director said he wants to be more confident of what we should be looking for as significant Soviet actions with respect to SALT. He asked Hineman, [] and Koehler to give this matter an overall look. (Action: NFAC, CT, RM) []
